Dear Scott,

The review committee met and discussed all applications. The board approved your project at Faranhyll Ranch HOA. The project must meet NRCS standards and specifications to be reimbursed. Please call Mike Kishimoto at 970-379-3365 or Emily Schwaller at 970-404-3439 for construction checks.

Project cost-shares will be reimbursed per NRCS Cost Docket OR 50% of actual installation cost, *whichever is less* and can not exceed \$5000.00. Please save and submit all invoices and receipts for this project.

For the 2023 Conservation Cost Share we had 16 applications requesting over \$74,000.00 in reimbursements with a total estimated project cost of over \$274,000.00. We were able to approve 14 applications.

Please call if you have any questions.

Sincerely,
Emily Schwaller, District Manager
